

Strategic Plan of the Board: 2014-2018

1. Preamble to the Strategic Plan

The Holy Trinity Catholic School Division Board of Education has established this four year strategic plan as a major component of its governance policies and guiding principles. It is intended that this plan will provide a flexible blueprint to direct the activities of the Board in its mandate as an elected board of education.

2. Vision Statement

Our Vision is “Christ Centered Life Long Learning”.

3. Mission Statement

Our Mission is to Create Hope by Fostering Learning and Honouring Diversity in a Catholic Environment.

4. Guiding Principles

Catholicity: We value our Catholic identity and faith as expressed in word, sacrament, individual behaviour and interpersonal relationships.

Learning: We value holistic teaching and learning environments that are spiritual, emotionally, academically and physically safe, secure, and positive - where all students can achieve their full academic potential.

Stewardship: We value Christian stewardship as a pillar of our Catholic faith which guides us as servant leaders to be accountable for all persons and things that have been entrusted to us.

Inclusiveness: We value inclusiveness as a gospel mandate to accept and embrace all people. We value cultural diversity and the rich array of people in our communities and the contributions they can make.

Empowerment: We value the Christian principle of empowering others to utilize their gifts in creating environments where all are enabled to contribute and learn to the fullest extent.

Communication: We value open, reasoned and honest communication between the Board and all Stakeholders.

Celebration: We value celebrating our successes as a welcoming, hope-filled Christian community committed to life long learning, evangelization and respect for the dignity of each individual.

5. Goals to Achieve the Vision/Mission

Our school division goals are:

1. Our students are provided high quality responsive curriculum, instruction, and assessment environments.
2. Our division and its schools report continuous improvement using research based practices and data informed evidence.
3. Our students and staff are accommodated to support their learning.
4. Our division maintains a positive culture through the respectful engagement of our primary stakeholders to support the goals of the education system.
5. Our division supports connections with parishes and the faith communities as we promote Catholic Christian values and live the gospel values.
